Listen to the Podcast Interview with aps!

Recently, the podcast "Gründerbrüder" approached us, eager to delve into the journey of aps — a story of passion, challenges, and triumphs in the world of entrepreneurship.

[more below >](#)

In this lively and engaging discussion, Wolfgang Dillbaum-Alexius and his successor and son, Jens Alexius had the pleasure of sharing their experiences with the founder brothers and masterminds behind the Gründerbrüder podcast. The chemistry between our interviewer and Wolfgang and Jens is infectious, making this podcast episode an enjoyable ride from start to finish.

Get ready for an episode that's not just informative but also downright entertaining!

The heart of our conversation centered around the unique blend of starting aps and nurturing its growth while maintaining the essence of a family business. We delved into the nitty-gritty details of the entrepreneurial rollercoaster — the invaluable lessons learned along the way and the big question of what the future holds as aps is at a pivotal moment, standing at the threshold of significant changes. The discussion with Gründerbrüder captures this spirit of innovation and our eagerness to embrace the changes that lie ahead.

What's more, the discussion was not only insightful but incredibly fun! The Gründerbrüder brought their signature charm and humor, making it a conversation you won't want to miss.

Now, the moment you've been waiting for—grab your headphones and tune in to the Gründerbrüder podcast featuring aps.

We sincerely hope you enjoy listening to our story as much as we enjoyed sharing it.
