what exciting events await?

- Ready for MRO Amsterdam? Come & visit CAP's Booth!
- Sneak Peek into 2024 - Mark your calendar for this aviation events!
- Upcoming: 80th ADMA Anniversary Conference

Next Week: MRO Europe in Amsterdam

We are thrilled to announce our upcoming participation in the MRO (Maintenance, Repair, and Overhaul) Expo in Amsterdam, and we can't wait to welcome you to our booth! We are excited to inform you that we will be exhibiting alongside our subsidiary, [CAP Composite Aircraft Parts](#), at Stand #1577. The MRO Expo is scheduled to take place from October 18th to October 19th, 2023.

At our booth, you will have the opportunity to learn more about our cutting-edge composite solutions specifically designed for ATR aircraft. Our team of experts will be on hand to discuss the latest advancements in composite materials, manufacturing processes, and how they contribute to enhancing the performance and durability of ATR aircraft.

### Key Details:

Event: MRO Expo

Date: October 18-19, 2023

Location: RAI Amsterdam, Netherlands

Booth Number: 1577

## Why should you visit CAP's booth?

- **Innovative Composite Solutions:** Discover the innovative composite materials that are revolutionizing the aviation industry and learn how they can benefit your operations.
- **Meet the Experts:** Our knowledgeable team members will be available to answer your questions and provide insights into availability, production and maintenance of ATR aircraft parts.
- **Networking Opportunities:** Connect with industry professionals, fellow aviation enthusiasts, and potential collaborators in the MRO sector.

[MORE](#)

We are committed to bringing the best of composite technology to the aviation world, and we believe that the MRO Expo in Amsterdam is the perfect platform to showcase our expertise and dedication.

For any inquiries or to schedule a one-on-one meeting with our team, please feel free to contact us in advance at [info@CompositeAircraftParts.com](mailto:info@CompositeAircraftParts.com)

We look forward to seeing you at the MRO Expo in Amsterdam and discussing how our composite solutions can elevate your aviation projects.

## AERO 2024

We come back with a fresh, sleek look but that's not all – we've got some surprises up our sleeves. While we can't spill all the beans just yet, trust us, you won't want to miss what we have in store.

So, clear your schedule, mark your calendar, and get ready to join us at AERO 2024.

## SEGA 2024

Just like the last conference where aviation enthusiasts gathered like a flock of eagles, SEGA 2024 promises to be even bigger and better.

Last time, 60 participants and 15 companies showcased their expertise through presentations, B2B meetings, and panel discussions. The who's who of the aviation world, including Lycoming, Concorde Batteries, Lear Chemical, and Tempest Aero, lit up the skies with their insights.

An announcement graphic for SEGA 2024. At the top, a white banner with a blue border contains the word 'ANNOUNCEMENT' in blue. Below this is a photograph of a group of people sitting in an audience. Underneath the photo, the text 'Southeast Europe General Aviation 2024' is written in yellow. To the left, the words 'DISCUSSIONS', 'B2B MEETINGS', and 'NETWORKING' are listed in white. To the right, there are icons for a calendar, a location pin, an envelope, and a telephone. The calendar icon is labeled '18-20 SEPTEMBER 2024'. The location pin icon is labeled 'BELGRADE, SERBIA'. The envelope icon is labeled 'info@sega.rs'. The telephone icon is labeled '+381 69 79 3448'. At the bottom of the graphic, the website 'www.sega.rs' is written on the left and right, and the 'SEGA' logo is centered. The logo consists of the word 'SEGA' in a bold, blue, sans-serif font, with 'Southeast Europe General Aviation' written in a smaller font above it.

## 80th ADMA Anniversary Conference

We are excited to share some thrilling news about our upcoming participation at the 2023 Aviation Distributors and Manufacturers Association (ADMA) International Conference, taking place from October 22nd to October 26th. While you may not be able to join us in person, we want to keep you in the loop about the exciting opportunities this conference holds for our customers and the aviation industry as a whole.

### **ADMA: 80 Years of Advancing Aviation**

This year is special as ADMA celebrates its 80th Anniversary! Since its inception in 1943, ADMA has been dedicated to representing the common interests of the aviation marketplace.

### **Why the ADMA Conference Matters**

The ADMA Annual Conference is more than just an event; it's a pivotal moment for aviation manufacturers and distributors to come together promoting professionalism, integrity, and education within our industry.

## What is in it for you?

- **Access to Key Decision Makers:** Our participation puts us in direct contact with key decision makers from over 60 distributors and manufacturers, all part of ADMA, and over 150 other industry delegates attending the conference. This means we can better understand your needs and expectations to serve you even more effectively.

➤ **Ongoing Access:** As an ADMA member, we will continue to stay connected with the ADMA network, keeping you in the loop about industry developments, and ensuring that you receive valuable insights and updates.

### Stay Tuned for Post-Conference Highlights

We'll be sure to keep you updated with all the exciting developments and insights we gather from the ADMA Conference. We believe that our participation will strengthen our position as an industry leader, which in turn, benefits you, our valued customers.

Make sure you follow us on Facebook & LinkedIn!

in\_f

The banner features a crumpled paper background. On the left is the ADMA 80th Anniversary logo, with '80th' in large red and blue numbers, 'ANNIVERSARY' on a blue ribbon, and 'ADMA INTERNATIONAL' in blue. On the right is a circular image of the Atlantis resort at dusk. Below the images is a pink bar with 'ATLANTIS PARADISE ISLAND BAHAMAS' in white. At the bottom, a black bar contains '2023 ADMA CONFERENCE' and 'OCTOBER 22 - 26, 2023' in white.

aps | aviation parts service – stands for more than just the prompt delivery of aircraft spare parts for aviation. Our motivation is to competently and reliably support and advise our customers on all spare parts requirements – from the procurement and storage, to the repair and replacement of aircraft components. Rapid and qualified. Over the entire lifecycle of your aircraft.
