Highlights from SEGA 2024 in Belgrade

October 2024 marked a milestone for our company, as our subsidiary spearheaded the organization of the highly anticipated South Eastern General Aviation Conference (SEGA) in Serbia. This event, drawing aviation enthusiasts, industry leaders, and key stakeholders from across the region, exceeded all expectations. We couldn't be more proud of the stellar turnout, innovative discussions, and the valuable new connections forged. From exciting interviews to partnerships poised to redefine the future of aviation, here's a recap of this unforgettable experience. [more >](#)

Photo Gallery: Moments That Defined SEGA 2024

Nothing captures the energy and excitement of SEGA quite like the faces and experiences of those who attended. Our vibrant photo gallery takes you through the highlights: panels buzzing with innovation, presentations, and the enthusiastic networking that filled the halls. Take a moment to relive—or discover—the essence of SEGA 2024 through our curated snapshots.

What about a Makeover?

Spotlight on Flight Schools, Aviation Maintenance, and Engaging the Next Generation

One of the key themes at SEGA 2024 was **the push to bring young people into all segments of aviation**—from piloting to aircraft maintenance and beyond.

We were especially excited to connect with the dynamic team of **Beoavia** (a member of Auravia), a student-run aviation organization based in Belgrade.

New Partnership: Pannonia Aero Technics

SEGA 2024 wasn't just about showcasing what's new—it was also about building what's next. While we reconnected with long-standing partners, this year's event also opened the door to **new and exciting collaborations**. One standout is our partnership with **Pannonia Aero Technics**, a Croatian company renowned for their outstanding **interior and exterior services for jet aircraft**. Known for their precision and unmatched quality, this collaboration is set to raise the bar in aircraft aesthetic and technical excellence. Pannonia Aero Technics' craftsmanship speaks for itself—don't miss their impressive photo brochure, which showcases their capabilities and stunning references.

Pannonia Facts

- ✈️ Quality since 1993
- ✈️ First private aircraft maintenance facility in Croatia
- ✈️ Dedicated team with over 50 years of work experience in the aviation sector

For us, SEGA 2024 was more than just a conference—it was a launchpad for future growth. The overwhelming success of this event, largely thanks to our subsidiary’s exceptional organizational work, signals a bright future for the aviation industry in Southeast Europe. Whether you’re an aspiring pilot, a seasoned aviation professional, or an enthusiast with your eyes on the skies, SEGA 2024 has sparked conversations and connections that will drive innovation for years to come.

We already look forward to SEGA 2026! until then let’s keep the momentum soaring high!

aps | aviation parts service – stands for more than just the prompt delivery of aircraft spare parts for aviation. Our motivation is to competently and reliably support and advise our customers on all spare parts requirements – from the procurement and storage, to the repair and replacement of aircraft components. Rapid and qualified. Over the entire lifecycle of your aircraft.

aps | part of your plane.
